

Summer Staff Application 2017

Dear Potential Staff Member,

I'm so excited that you are considering being part of Haluwasa's Summer Staff. Serving on staff here will be one of the most life changing and memorable experiences you may ever have. Not only will you have the opportunity to share your faith, but you will be witness to God's love and faithfulness.

You will be part of something so big, it's almost unimaginable, part of a ministry team that has the awesome privilege of teaching children and teens about Jesus and also helping them grow in their walk with the Lord. The experience will stretch you beyond your comfort zone and you will learn more about yourself and your own walk than you could ever foresee. You will see God touch the lives of everyone here. You will see His love as each day unfolds and most miraculously, you will see children transformed before your eyes as God touches their hearts.

If you find this possibility exciting and you have a genuine love and burden to see kids come to know Christ, then Haluwasa is the place for you. Why don't you consider and pray about how our mighty God may use you this summer and share in ministry with us.

Serving Him Joyfully,

What could be better than enjoying a great summer environment, serving the Lord in a remarkable way, and rubbing shoulders with other like-minded young Christian leaders.

As an important part of the Haluwasa Summer Staff ministry team, you'll be able to spend time with boys and girls who will welcome your loving companionship and leadership. You'll enjoy a wide range of outdoor challenges and many other exciting camp activities throughout each day, some even a bit wild and crazy. Most importantly, you'll have an opportunity to share your heart and personal testimony with campers who desperately need to know how important it is to Trust Jesus as their personal Savior and have a close personal walk with the Lord.

If you would like to experience an exciting and highly rewarding summer - plus make a real spiritual impact on young people - check out the variety of Summer Staff opportunities at Camp Haluwasa.

Looking forward to hearing from you,

Camp Haluwasa Doctrinal Statement

Being in full agreement with Haluwasa’s ministry doctrinal position is very important for every staff member. Haluwasa’s theology could be defined as “evangelical” and a general explanation of our theological position as well as our position on some practical worship matters is provided below.

We consider the Bible to be God’s Word and it is our only authority. We believe that individuals can read and understand the Bible with the help of the Holy Spirit and trust it as literal truth. We believe that Jesus is God’s only-begotten Son. We believe that we are all born in sin and as a result, we are under the condemnation of eternal punishment and separation from a holy God. We believe that God loves us all and by His grace He has provided a merciful means by which we can obtain complete forgiveness of our sin and establish an eternal fellowship with Him. We believe that Jesus came to earth to be our example and that He provided a once-and-for-all sacrifice for our sins by His death on the cross. We believe that a person must individually recognize their personal condition of being in sin, having absolutely no merit before God, and having a need for personal salvation. We believe the Bible teaches that when we place our personal belief, faith, and trust in Jesus as our personal Savior, we then become part of God’s family, eternally secure with no possibility of future separation from Him. We believe that when we place our trust in Christ as our Savior, our life is immediately transformed by the indwelling of God’s Holy Spirit, meaning we now have the power to live a life of faith and grace because God’s Spirit is always within us. We believe that as a result of our life having been redeemed (or purchased) by the blood of Christ on the cross, we become bond-servants of Jesus. As such we are commanded to reach out and share the Gospel message of Salvation with those within our sphere of influence and are challenged to live our life according to biblical principles until the moment when Jesus calls us to meet Him in our eternal home in Heaven.

While there are versions of the Bible we feel do not properly represent Holy Scripture, we recognize several versions including - but not limited to the KJV, NKJV, NIV, NAS, and others. For use in camper memory verses, we often use a trustworthy modern English translation so verses can be more easily understood by young people.

While we recognize God’s “gifts of the Spirit,” we do not believe that “speaking in tongues,” “healing” and other “sign” gifts are operational today.

I am in comfortable agreement with this Doctrinal Statement and agree not to teach anything to the contrary while on staff at Haluwasa.

Gift of Ministry Service

Our Mission

Camp Haluwasa is a non-profit, faith-based ministry. Our mission is to spread the good news of the Gospel to young people whose hearts are receptive and tender. We believe it's important to reach boys and girls for the Lord before they get entangled in the world's web of empty promises and discouraging disappointment. Our goal is to see young people come to know Jesus as their Savior, grow in their personal relationship Him, serve God faithfully throughout their life, culminating with them enjoying eternity with the Lord.

Many summer staff applicants naturally need to receive a salary based on their financial responsibilities. Yet, it would bless our campers and Haluwasa if you could possibly volunteer your time as a Summer Staff member for the few weeks of camp. If you are able to volunteer, we know God will reward you many times over and in many ways for this sacrifice. (Many Christian camps around the US are fully staffed for the summer by volunteers.)

If you are able to volunteer please check the box that follows. Volunteering means you will not receive pay from Haluwasa and the arrangement cannot be reversed.

- I am able volunteer my ministry service as Summer Staff this summer.
- I am not able to volunteer my service and will need to receive payment.

Prayer Warriors & Supporters

We will expect all staff – both paid and volunteer – to participate in our annual Summer Staff Prayer Warriors & Supporters mailing. If you are hired onto our Summer Staff ministry team, we will ask you to provide the names and addresses of ten people you feel would share the vision of our ministry and who might be willing to pray for and support Camp Haluwasa. The address form will be included with mailed contracts.

Who can best verify that all the answers on this application are correct?
