

HALUWASA

Christian Camp & Retreat Center

Spring Greetings,

Spring 2025

We're praising God for His blessings during Haluwasa's Spring Junior and Teen Retreats! The theme was **"Get Connected, Stay Connected!"** The focus was Jesus' illustration from John 15 in which He compares Himself to the vine and us as believers to branches. Every camper was encouraged to **"connect"** with Jesus by trusting Him as their Savior and challenged to **"stay connected"** to Him in order to live a rewarding life of faith, pleasing God with their good works. We were so excited to see God at work during these wonderful Spring Retreats!

Maintaining and upgrading camp facilities is always a springtime assignment. Several groups of faithful volunteers are working to remove dead trees, replacing railroad ties, raking leaves, refurbishing the railroad station, upgrading kitchen equipment and making many general repairs.

This time of year we begin receiving summer camper registrations. Every year we receive applications for camper sponsorships. These come from parents of deserving boys and girls who are financially challenged. Throughout Haluwasa's 70 year history we have never turned a qualified young person away, but can only continue based on your help and generosity!

Lift the spirit of a deserving boy or girl so they can come to Haluwasa and meet Jesus!

Please pray for the ministry of Haluwasa and send a generous financial gift today so Haluwasa can say "YES" to every child God sends our way. God will surely bless you in return!

Bill Ellwanger
