**Haluwasa's Doctrinal Statement**

**Being in agreement with Haluwasa's doctrinal position is important for every staff member.** We consider the Bible to be God's Word and our sole authority. We believe that individuals can read and understand the Bible and trust it as literal truth. We believe that Jesus is God's only-begotten Son. We believe that we are all born in sin and as a result we are under the condemnation of eternal punishment and separation from a holy God. We believe that God loves us all and by His grace has provided a merciful means by which we can obtain complete forgiveness of our sin and establish an eternal personal relationship with Him. We believe that Jesus came to earth to be our example and that He provided a once-for-all sacrifice for our sins by His death on the cross. *(More next page)*

We believe that a person must individually recognize their personal condition of being in sin, having absolutely no merit before God, and having the need for personal salvation. We believe the Bible teaches that when we genuinely place our personal belief, faith, and trust in Jesus as our personal Savior, we then become part of God’s family, eternally secure without the possibility of future separation from Him. We believe that when place our trust in Christ as our Savior, our life is immediately transformed by the indwelling of God’s Holy Spirit, meaning we now have the power to live a life of faith and grace because God’s Spirit is always within us. We believe that as a result of our life having been redeemed (or purchased) by the blood of Christ on the cross, we become bond-servants of Jesus. As such we are commanded to reach out and share the Gospel message of salvation with those within our sphere of influence and are challenged to live our life according to biblical principles until the moment when Jesus takes us to our eternal home in Heaven.

We recognize God gives “gifts of the Spirit,” but we do not believe that “speaking in tongues,” “healing” and other “sign” gifts are operational today.

While there are a few Bible versions that do not properly represent Holy Scripture properly we recognize and use several including the **KJV, NKJV, NIV** and **NAS**. For use in camper Bible teaching we most often use the *New Living Translation (NLT)*, a trustworthy and more easily understood modern translation.

**I am in comfortable agreement with this Doctrinal Statement and agree not to teach anything to the contrary while on staff at Haluwasa. \_\_**
